ALPHABETICAL

The following list of 363 persons are those whose names are on gravestones now standing.(317 stones in 1971.) The first column gives the names in alphabetical order. Column two designates sex. Col. three shows date of death as shown on the stone or in the Southborough Vital Records (SVR) Co.. four, age. Col. five gives keywords, if any on the stone.(See below) and column six gives grave position on map prepared by the Historical commission. As this map is incomplete the numbering may change, and will be corrected when the map is completed.
